Featured Business: **Glaresis**

We are excited to welcome Glaresis, an information technology start-up, to the City of Manassas. The cutting-edge firm is a pioneer in technology development and systems integration. They help businesses and agencies deliver cost savings, operational efficiency, data analytics and feature enhancements to onsite environments where disparate security and operations systems need to be linked together.

The solutions are designed specifically for those that have the need for controlled access like banks, hospitals and multi-tenant buildings as well as those with a high volume of public access.

Glaresis will create 20 new high-skilled, high-wage jobs right here in Manassas and has already landed major contracts with Amtrak and Iron Mountain. The company chose to locate in Manassas

Featured Partner: **Manassas Farmer's Market**

The City of Manassas Farmer's Market has served the community for decades. As the times have changed so too has the Market, quickly becoming recognized as "The Best Farmer's Market in Northern Virginia." Staff continues to seek out new vendors and opportunities to enhance visitor experience.

due to proximity of VRE, ability to walk to various restaurants and shops and lower traffic volumes.

In 2018, 30 new vendors were added and roughly 50,000 tourists were attracted into Historic Downtown, a 40 % increase. A Holiday Market was also launched and had over 100 vendors and more than 28,000 attendees shopping local for the two weeks leading up to the Christmas holiday.

The year-round market is now one of the largest in the region featuring more than 60 vendors with a bountiful selection of fresh produce, baked goods and unique crafts representing fare from every corner of the world. From French pastries, to Mexican tamales, Thai cuisine and southern BBQ you can quite literally "take a trip around the world" in one visit to the Manassas Market. Every day at the market is a new experience with music performers, street performers and new vendors that drop in, so there is always something new to experience and always samples to be tasted or tried. New for spring visitors can expect cooking demonstrations, chiropractic assessments, live yoga and hip hop classes.
