Featured Partner **NORTHERN VA FAMILY** **SERVICES**

Every day since 1992 the team of dedicated staff, volunteers and partners of Northern Virginia Family Services have worked together to bring hope and opportunity to families in need.

NVFS ensures that Northern VA families have access to the most basic needs, such as emergency shelter, food assistance or safety from violence to get them on stable footing so they can begin a path toward hopeful futures. In 2016, the organization helped more than 35,000 individuals move forward on their paths to independence.

NVSF depends on community support to operate through all seasons of need. There are numerous

opportunities for individuals, groups and companies to get involved year-round. During the holidays the needs for toys, time and monetary donations are especially high. If your organization is interested in helping make the holiday season brighter for children and families in our area, please consider participating in the "Gifting for Families" initiative or one of the many other opportunities to give back.
