Featured Business: **McCall Design Studio**

McCall Design Studio recently opened in Historic Downtown Manassas. The Studio and its affiliate DMVisual is a woman-owned and operated business aiding clients in brand development.

Denise McCall purchased the historic Battle Street building with the goal of one day opening an art gallery on the second floor. The first floor is home to Amy's Bridal and Calico Jacks. Since purchasing the building, McCall has been committed to renovating the aging building. This

included exterior maintenance and repainting; funded in-part through the City's Façade Improvement grant program.

Of the many locations McCall considered to house her 2,200 square foot gallery, she chose Manassas for its vibrant arts community. In addition to gallery exhibits and tours, the space is also host to a variety of community events.

Featured Partner **MCPS Education Foundation**

**MANASSAS CITY PUBLIC SCHOOLS
EDUCATION FOUNDATION**

Providing a quality public education benefits our entire community- an excellent school system attracts businesses; promotes higher wages in the community; and, in turn, supports existing businesses. It also encourages students to return to Manassas to live and work after college.

The Manassas City Public Schools Education Foundation was established in 1992 to bring internet access to all schools within the division. For over 20 years, the foundation has focused on providing additional support for the students and teachers in the City's school division. The board of directors is completely volunteer and provides not only financial support, but in-kind contributions with the goal of encouraging innovation, enhancing academics, and promoting student and teacher success.
