- 165** Residents Enrolled
- 148** Started training
- 113** Completed the Program

First program promoted and taught in Spanish & English

"I also wanted to be able to show younger people that you can always go back and do it. It was workable around my work schedule. It gave [me] more opportunities. I was also able to show my son that even though I didn't finish school, I was able to go back and do it. Anything is possible!" - KS, GED Graduate

STATE OF THE ECONOMY

ACFR HIGHLIGHTS

- In FY2022, the City continued a pattern of economic growth. However, the COVID-19 pandemic, supply chain problems, and increased inflation have created the need for caution in long-term financial planning.
- The City's general fund revenues exceeded the revised revenue budget by **\$19 million**
- Taxable real estate assessed values for the 2022 tax year increased **5.1%**; the average residential assessment increased **7.1%** and the average commercial assessment increased **1.3%**
- Combined general property tax revenues among all classes of properties increased **2.0%**
- The 2022 residential/commercial assessment ratio is **66.6/33.4**, a small change from the 2021 ratio of **65.4/34.6**
- Other local tax revenues saw a **12.3%** increase in 2022: Sales tax increased **13.6%** and Meals tax increased **23.4%**
- Standard & Poor's affirmed the City's general obligation **bond rating of AAA** with a stable outlook and Moody's affirmed their **Aa1** bond rating (2021)
