The Department of Economic Development exists, in large degree, to support the businesses in our community. We take that charge very seriously and will continue to share information we feel will be timely, pertinent and helpful to you. This includes links to other agencies and resources that we will send out separately.

We also encourage your feedback. Please share ideas and information you have that would be helpful to our local businesses directly with us either on our FB page (ChooseManassas) or by email, at:
