COVID-19 BUSINESS IMPACT SURVEY

The City of Manassas remains committed to supporting our business community during this difficult time. We understand the incredible challenges that businesses face, especially our small businesses. Earlier this week launched a COVID-19 resource on our [website](#) and we will continue to update it as new information is available.

To assist us in knowing what your specific needs are, we have created a brief survey. Please take a few minutes to share your thoughts with us. Your answers will be private unless you specifically request follow-up. And as always, please don't hesitate to call us if we can provide additional

information or assistance.

TAKE SURVEY

The Department of Economic Development exists, in large degree, to support the businesses in our community. We take that charge very seriously and will continue to share information we feel will be timely, pertinent and helpful to you. This includes links to other agencies and resources that we will send out separately.

We also encourage your feedback. Please share ideas and information you have that would be helpful to our local businesses directly with us either on our FB page (ChooseManassas) or by email, at:
psmall@manassasva.gov or nsmith@manassasva.gov
