The company is recognized for its exceptional people who provide customers in the Northeast with legendary service. Pyle People deliver for their customers in many ways – by being predictable, reliable and technologically advanced. While A. Duie Pyle's reputation for reliability is grounded in over 98 years of growth and expertise in the Northeast, it is the people of A. Duie Pyle that provide the single, most important advantage to their customer's transportation decision. It is for this reason that A. Duie Pyle continues to serve their very first customer.

“Manassas is a regional employment center with a diverse economy and an even more diverse population,” **said Manassas Mayor Michelle Davis-Younger.** “We welcome the investments by companies like A. Duie Pyle that create well-paying jobs in traditional industries. It is these jobs which enable many of our residents to support their families and realize their dreams.”

“Global supply chains are experiencing unprecedented pressure and we are pleased that A. Duie Pyle will take advantage of Virginia's infrastructure and transportation network as a vital provider of supply chain solutions,” **said Virginia Governor Youngkin.**

“This strategic expansion enables us to improve shipping and schedules, while strengthening our overnight delivery capabilities to neighboring states.” **said Peter Latta, Chairman and CEO of A. Duie Pyle.**

Patrick Small, Director of Economic Development for the City of Manassas, added “Our City Council and Staff work hard to create a pro-business environment where companies like A. Duie Pyle can create private sector jobs that provide sustainable career opportunities for our residents. We’re thrilled A. Duie Pyle decided to Choose Manassas!”

Based in West Chester, Pennsylvania, A. Duie Pyle, a family-owned-and-operated business for almost 98 years, provides a range of integrated transportation and distribution services supported by 27 less-than-truckload (LTL) service centers and 16 warehouses strategically located throughout the Northeast region, which includes the company’s expansion into the Commonwealth of Virginia. Pyle provides a variety of asset and non-asset-based services offering uniquely engineered logistics solutions, including LTL, dedicated fleet operations, warehousing and distribution services through 3.5 million square feet of public and contract warehousing space, and specialized services through its brokerage solutions.
