### COVID-19 BUSINESS RESOURCES

Today, the Department of Economic Development launched a COVID-19 Business Resources page on ChooseManassas.org. Our singular focus right now is helping our local businesses. We will do our best to ensure this page is an up-to-date resource you can use for the COVID-19 pandemic, including information on webinars and individualized support.

We also want to make sure you are aware that due to high demand, the Virginia Small Business Center has added a second webinar for the Economic Injury Disaster Loan application process. If you were unable to attend the 2pm session because it was full, please try again at 5pm.

Click here to attend the Webinar - <https://vccs.zoom.us/j/606202441?status=success> Meeting ID: 606 202 441 Phone: 646-558-8656

The Department of Economic Development exists, in large degree, to support the businesses in our community. We take that charge very seriously and will continue to share information we feel will be timely, pertinent and helpful to you. This includes links to other agencies and resources that we will send out separately.

We also encourage your feedback. Please share ideas and information you have that would be helpful to our local businesses directly with us either on our FB page (ChooseManassas) or by email, at:
