COVID-19 BUSINESS FUNDING PROGRAMS

The Department of Economic Development has identified the following federal programs designed to assist small businesses (less than 500 employees) and non-profits who have been negatively impacted by the COVID-19 pandemic.

We understand much of your time and attention is geared towards keeping your businesses and employees afloat, however we **STRONGLY** encourage all affected businesses to apply. These programs have streamlined the application process and funds are paid quickly. Please reach out to us

directly for recommended lenders.

The Department of Economic Development exists, in large degree, to support the businesses in our community. We take that charge very seriously and will continue to share information we feel will be timely, pertinent and helpful to you. This includes links to other agencies and resources that we will send out separately.

We also encourage your feedback. Please share ideas and information you have that would be helpful to our local businesses directly with us either on our FB page ([ChooseManassas](#)) or by email, at:
